Thank you for your interest in applying to Austin Habitat for Humanity’s Home Repair Program. Our Critical Repair Program is here to help low income homeowners receive the necessary repairs to make their houses safe, livable, and free from hazards. Due to the high volume of inquiries we receive for assistance, we currently have a waitlist to apply for assistance from our program.

At this time, we are only able to assist homeowners in the counties of Travis and Bastrop who reside in single-family detached residences. **We are NOT able to complete repairs on manufactured homes, condos, townhomes or duplexes. The homeowner MUST reside in the home to be eligible.**

Please complete the form below if you wish to be added to our waitlist.

PLEASE NOTE THIS IS NOT AN APPLICATION FOR SERVICES.
