

What will YOU build?

Dear Women of Austin,

Thank you for your interest in participating in our 2016 Women's Build! We are so excited to bring the ladies of ATX together to build a home for Ma Win and Ko Lay Sein. In a city where affordability is one of the most critical issues our community faces, every home built and family served is a victory.

The Women's Build is a community-driven build, which means it also relies on the community for funding. The cost of construction materials to build an Austin Habitat home is currently \$85,000. We have raised \$25,200 thus far, but we need help with the other \$60,000! We are currently looking for corporate partners to join the fundraising, but individuals can make a huge impact too. We have several sponsorship levels available.

Diamond Darling: \$1,000

- Five volunteer opportunities (you and four friends)
- Women's Build t-shirt for you + building buddies
- Custom photo of your group

Gold Goddess: \$500

- Two volunteer opportunities (you and a friend)
- Women's Build t-shirt for you + building buddy

Silver Superwoman: \$250

- One volunteer opportunity
- Women's Build t-shirt

Raising money for the Women's Build is extremely simple with our online giving platform, <https://austinhabitat.fundly.com/2016-women-s-build>. All you need to do is setup a fundraising page in your name, then promote! It's just like crowdfunding through Kickstarter, and every dollar raised goes into building a strong, stable, and self-reliant future for a local family in need.

If you are interested in knowing more about our corporate partnerships, please inquire and I will send you sponsorship information. If you have any questions about how to setup your fundraising page, please contact Erin Samson at esamson@ahfh.org

Thank you for your time and support. I can't wait to build together, ladies!
